

Antelope Regulations

The general information and regulations found on pages 2-20 are also applicable to this antelope section.

Antelope Definitions

- Antlered Buck - Any antelope with a horn or horns at least four inches in length as measured from the top of the skull.
- Doe/fawn - Any antelope with horns less than four inches in length as measured from the top of the skull.

Special Antelope Licenses

- Most antelope licenses are awarded through special drawings. For exceptions see 300-20, 318-20, 390-10, and 700-20 - valid in all Region 7 hunting districts.
- License holders may legally take one antelope subject to all specifications on the license.
- Both resident and nonresident hunters are eligible to apply for antelope licenses awarded through the special drawings. By state law, nonresidents are limited to, but not guaranteed, 10 percent of the license and/or permit quota. The Licenses Available Chart provides details. Drawings are based upon the final quotas adopted by the FWP Commission which may differ from the quotas listed in the hunting district regulations.
- Archers must hold a valid antelope license and a bow and arrow license to hunt during the Archery Only Season.

900-00 Multi-Region Antelope Archery Only – ArchEquip Only licenses:

- An unlimited number of licenses are available, but limited to one per hunter.
- License is valid for either-sex antelope.
- Hunting is restricted to ArchEquip Only.
- Archers using this license must also possess a valid bow and arrow license.
- Applications must be postmarked by the U.S. Postal Service no later than June 1. Or the license must be purchased at any FWP office, license provider or FWP website no later than June 1.
- Hunters who apply for this 900-00 Multi-Region antelope license must list 900-00 as their first and only license choice.
- These licenses are valid in the following antelope hunting districts: any hunting district beginning with the number 3, 4, 5, 6 and/or 7.
- 900-00 Multi-Region antelope license holders may be offered, via a separate flyer enclosed with the 900-00 Multi-Region antelope license, the opportunity to purchase one additional doe/fawn 900-30 Multi-Region Archery Only – ArchEquip Only license valid in regions 3, 4, 5, 6 and/or 7. The additional doe/fawn license will be available from any FWP license provider.
- Archers using this license during the antelope “gun” season must wear hunter orange.

Antelope Drawing Statistics

The statistics on this page are from the 2006 Special Drawings and are meant to give you a relative comparison between area choices. These numbers do not reflect the use of bonus points, landowner preference, or the nonresident limit of up to 10% of the quota.

For more detailed statistics on resident/nonresident numbers, landowner drawing statistics, 2nd and 3rd choice numbers and district specific bonus point information, visit our Website at fwp.mt.gov.
